

CME-CPD Accreditation

European Accreditation Council for Continuing Medical Education (UEMS/EACCME)

The **36th International Papillomavirus Conference**, Edinburgh, United Kingdom 12/11/2024 – 15/11/2024 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **25.0** European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

American Medical Association (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of *AMA PRA Category 1 Credits™*. Information on the process to convert EACCME credit to AMA credit can be found at <https://www.ama-assn.org/education/ama-pra-credit-system/agreement-european-union-medical-specialties-uems>

Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada. For more information, visit: <https://www.royalcollege.ca/ca/en/cpd/royal-college-accredited-cpd-providers/international-accreditation-agreements.html>

Credit Breakdown

Each participant should claim only those hours of credit that he/she actually spent in the educational activity.

Day	Maximum Credits
12/11/2024	5.5
13/11/2024	6.5
14/11/2024	7.0
15/11/2024	6.0
Total Credits:	25.0

Educational Objectives

After participating in this educational event, learners should be able to:

- Address individual needs in compliance with their Continuous Professional Development (CPD) plan.
- Discuss the epidemiology and molecular biology of papillomavirus
- Address the most recent advances across the spectrum of PV research
- Enhance new relationships with colleagues with common interests
- Discuss the latest developments in therapeutic and prophylactic vaccines
- Identify educational resources and networks for exchange of knowledge and learning about HPV
- Review the prevention of HPV-associated cancers, particularly cervical cancer and other PV-associated diseases
- Examine animal models for the study of papillomavirus disease
- Discuss the implementation of evidence-based practices in clinical and public health settings

- Identify and leverage interdisciplinary approaches in HPV research and management

Target Audience

The 36th International Papillomavirus Conference & Basic, Clinical, and Public Health Scientific Workshops (IPVC 2024) principal intended recipients are fully qualified medical specialist doctors. This includes specialists in fields such as gynecology, oncology, dermatology, infectious diseases, and pathology, among others, who are involved in the management and research of HPV-associated diseases. The conference is designed to cater to senior medical professionals, including experienced clinicians, researchers, and key opinion leaders, who are seeking to enhance their knowledge and skills in HPV prevention, diagnosis, treatment, and public health strategies.

To Receive Your CME/CPD Certificate

The CME/CPD certificate will be available after completing the online evaluation and credit-claiming procedure. The process takes about 5 minutes. We thank you for your feedback as it is an important part of CME/CPD accreditation and helps improve future educational offerings.

- *Kindly note that the IPVC 2024 online evaluation will be active on the last day of the meeting. You will then be able to access it and claim your CME/CPD certificate.*

Disclosure and Resolution of Personal Conflicts of Interest

In accordance with CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor, those in control of the educational content must disclose potential or actual conflicts of interest. Disclosure information is

evaluated and conflicts of interest are resolved. Disclosure is made to participants prior to the activity. Participants will be asked on the evaluation to assess the objectivity and independence of the event.

- View disclosure information [here.](#)

Industry Support Disclosure

This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. Appropriate acknowledgement of all supporting organisations is made in the programme guide, on the event website, and with signage during the event.

- View a list of all industry supporters [here.](#)
- View detailed programmes for all Industry Sessions [here.](#)

Past CME/CPD Accreditation

In 2024 IPVC will once again strive to deliver high quality educational program and apply for CME/CPD accreditation.

Below you can see the IPVC accreditation history over the past few years:

- IPVC 2023: Up to **39.75** CME Credits
- IPVC 2021: Up to **26** CME Credits
- IPVC 2020: Up to **35** CME Credits
- IPVC 2019: Up to **30** CME Credits
- IPVC 2018: Up to **27** CME Credits

Commitment to the Highest Standards in CME/CPD

Kenes is committed to being a valuable and knowledgeable partner in the design and delivery of educationally strong, independent, transparent, and effective CME/CPD programmes. Kenes is a proud member of the [Good CME Practice Group \(gCMEp\)](#), a member organisation contributing to improving health outcomes by:

- Championing best practice in CME/CPD
- Maintaining and improving standards
- Mentoring and educating
- Working in collaboration with critical stakeholders

Membership in the Good CME Practice Group illustrates the Kenes commitment to high standards and knowledgeable partnership with its clients in the design and delivery of educationally strong, independent, transparent, effective, and financially viable medical events.
