COMMITMENT TO THE HIGHEST STANDARDS IN CME/CPD

Kenes is committed to being a valuable and knowledgeable partner in the design and delivery of educationally strong, independent, transparent, and effective CME/CPD programmes. Kenes is a proud member of the [Good CME Practice Group \(gCMEp\)](#), a member organisation contributing to improving health outcomes by:

	<ul style="list-style-type: none">• Championing best practice in CME/CPD• Maintaining and improving standards<ul style="list-style-type: none">• Mentoring and educating• Working in collaboration with critical stakeholders
--	---

Membership in the Good CME Practice Group illustrates Kenes commitment to high standards and knowledgeable partnership with its clients in the design and delivery of medical events.

CME Accreditation

An application will be submitted to the European Accreditation Council for Continuing Medical Education (EACCME) to provide accreditation by the following CME activity for medical specialists. The EACCME is an institution of the European

Union of Medical Specialists (UEMS): www.uems.net.

Industry Supported Sessions

Industry Supported Sessions slots are offered to industry as non-CME commercial/promotional sessions that are not

accredited. As such supporters are free to choose their topics, invite speakers and control content, the session will be

indicated in the program as organized by the Supporter. Topic and program are subject to approval by the Congress Scientific Committee.

Disclaimer

Information contained in the scientific program must comply with the applicable CME/CPD regulations. Scientific/Educational Program shall not include any commercial elements such as company names, products names, etc. Commercial information shall be kept separate and clearly differentiated from the scientific accredited content. Non educational activities may include promotional elements and shall not be accredited.□□□
